

MATCHING CHURCH GRANT PROGRAM GUIDELINES 2009-2010 SCHOOL YEAR

This grant is awarded to students whose local church contributes directly to the Huntington University scholarship fund. The church may contribute anywhere from \$100-\$500 for each student, to be matched evenly by Huntington University. We will match from \$100-\$1000 for each student from a United Brethren in Christ (UBIC) church. The intent of this program is for the church to provide financial support for students attending Christian colleges. It is not acceptable for a student's parents to be the providers of funding for this program.

In order to be eligible for this grant, a student must be a member of the contributing church, a full-time student, and meet the satisfactory academic progress policies and all other institutional policies of Huntington University. (Incoming students must have a high school GPA of 2.3 or above; returning students must have a cumulative GPA of 2.0 or above after 26 semester hours have been completed.)

All funding contributed, as a matching church grant will be awarded **EVENLY** to **ALL** students attending Huntington University from that church. Specific amounts cannot be designated for certain students. All funding for this program must be received by the university from the participating church.

Students withdrawing between semesters or during the semester will lose both portions of the Matching Church Grant, just as they do with other financial aid awards.

Please notify us of your intent to participate in this program by June 15, 2009. This will allow the student to have the most current financial aid information when billing statements are issued at the end of June.

Please return forms and payment to the **FINANCIAL AID OFFICE** at the address listed on the back. The **deadline** for receiving Matching church funds and forms is August 31, 2009.

**Awarding of the Matching Church Grant must work in conjunction with other forms of financial aid at the federal and state levels.
