

just a few notes.

We must have those men-workers
from America and I wonder who
they will be! Mr Stoltz thinks if
the Board sends Mr Woodard & wife
it will be a mistake, I am of the same
opinion, and for this reason. The young
boys wh are studying for the ministry
must have a man that can give them
a regular Bible Course. They must have
help on this line by all means. The Mo-
hammadans are spreading over this country
fast, and they meet our boys with their
story, and for the want of Bible
Kalage they get the best of them.
For this reason and many others I
would like to see a man ^{of equal} ~~in~~ ^{superior}
to Mr. Stoltz. I told Stoltz he should
write and explain things to you. He said
you did not ask him for information.
Oh! how sensitive some people are.
But dont tell on me. We need an ^{ordained} ~~ordained~~
minister. God sent one.
