Dear Bro. Howe:

The appointment of Rev. H. A. Smith's appointment is conditional. So, if best withhold it. You will consult Bros. Clay and Foote. The appointment is to meet a suggestion of A. G. Johnson about his getting possession of Etna Avenue church-house for us. Unless we get the legal right to the church, it would be inadvisable to appoint any pastor there. We can not have a pastor there if Johnson holds the church-house.

Really if we win the house, we must have a pastor that will win better than Bro. Smith, if we would hold the place. Bro. Smith is good enough. Excuse throwing responsibility onto you.
Yours fraternally,

Milton Wright

P. S.

I have no later word from Bro. Kinneman tho I wrote him. I have not written the Lefforges nor heard from them since we left. Crise seems to accept Blue River and Hartsville circuits.
