My papa has a store. I go to Sunday school every Sunday. I raised \$5 for the Publishing House fund. Brother Keiter said he would give every little girl that would raise \$5 a bible free, so I have raised the amount. Enclosed please find \$5. I will close.

MISSOURI'S WAR GOVERNOR

Restored to Health By Pe-ru-na.

A LETTER FROM THE AUDITOR OF THE INTERIOR.

GOV. T. C. FLETCHER.

HON. WM. YOUNGBLOOD.

Hon. Thomas C. Fletcher, the noted war Governor of the State of Missouri, is a great friend of Pe-ru-na. He writes; The Pe-ru-na Drug M'fg Co., Columbus, Ohio:

Gentlemen—For years I have been afflicted with chronic catarrh, which has gone through my whole system, and no one knows the torturo and misery I have passed through. My doctor has prescribed various remedies, and I have never found any relief until I was persuaded by a friend to use Dr. Hartman's Pe-ru-na. After the use of one bottle I feel like a new man. It also cured me of a drooping I had in my throat, and built my system up generally. To those who are suffering with catarrh I take pleasure in recommending your great medicine. Very respectfully,

Thomas C. Fletcher.

Everything that affects the welfare of the people is a legitimate subject of comment to the real statesman. The statesman is not a narrow man. It is the politician who is narrow. The true statesman looks out on the world as it is, and seeks, as far as is in his power, to remedy evils and encourage the good.

OFFICE OF AUDITOR FOR INTERIOR, WASHINGTON, D. C., Dec. 10, 1898. The Pe-ru-na Drug M'fg Co., Columbus, Ohio:

Gentlemen—I've often heard of your great medicine and have persuaded my wife, who has been much of a sufferer from catarrh, to try Pe-ru-na, and after using one bottle she has wonderfully improved. It has proved all you have claimed for it, and I take pleasure in recommending it to anyone who is afflicted with catarrh. Yours,

Wm. Youngblood,

Auditor for the Interior.

Catarrh in its various forms is rapidly becoming a national curse. An undoubted remedy has been discovered by Dr. Hartman. This remedy has been thoroughly tested during the past forty years. Prominent men have come to know of its virtues and are making public utterances on the subject. To save the country we must save the people. To save the people we must protect them from disease. The disease that is at once the most prevalent and stubborn of cure is catarrh.
