### Matthew Henry's Commentary of the Whole Bible.

"Where can I get a good Commentary on both the Old and New Testaments?"

Many good ones there are and probably the best are beyond our means, some costing above a hundred dollars. None are without objectionable features, but price and all considered, aside from the attitude on election and cognate questions, it is doubtful whether there is another Commentary in print the equal of Matthew Henry's.

Spurgeon, as well as most other noted preachers of the past century, were close students of this Commentary.

Editions containing less than these editions have sold for \$60.00 per set. These editions are printed on good paper and are well bound in cloth, and contain all that Matthew Henry ever wrote for it and many comments of others. Our prices are very moderate.
