

The Medical Department too has been fruitful in that it has brought our Missionaries in close touch with more people than they otherwise would have been. It has brought splendid financial results. In addition to the good that has been done by the healing of their bodies, it has given the Missionary the far greater and still more important opportunity of administering to sin cursed souls. The native has much confidence in the Missionary who can bring relief from suffering through medical skill, so let us remember our Missionaries in much prayer that the medicine given may be effective, that the hands in surgical work may be steady, as an aid to that people to find Christ through the Christians who represent us in that mission field.

#### IN LOVING REMEMBRANCE

Mrs. Mary C. Crider

Whereas it has pleased our Heavenly Father to call from our Chambersburg Local, Pennsylvania Branch, Sister Mary C. Crider, who was interested in all the work of the church and never let an opportunity pass by to testify for her Master, Resolved: First, that we know our loss is her gain for Jesus said He was going to prepare a place for us that where He is we may be also.

Second, That we, her co-workers, who remain, strive to emulate her beautiful character and to promote the cause for which she so earnestly labored.

Third, That a copy of these resolutions be placed on the minutes of our W. M. A. and sent for publication in the MISSIONARY MONTHLY.

Second, that though her place is vacant and we no more hear her friendly greeting, yet the influence of her Christian life remains with us. "She being dead yet speaketh."
