PELOUBET'S NOTES.

An Illustrative Illuminating Commentary on the International Sunday-school Lessons for 1897.

The International Lessons for 1897 are entirely in the New Testament, covering both the Acts and the Epistles, and are peculiarly adapted for teaching by the illustrative method. Dr. Peloubet has, therefore, with great skill and careful judgment, brought together from many sources such anecdotes, illustrations, and incidents as would serve to make the teachings clear to the mind and adapted to present-day living.

His treatment of the many doctrinal lessons based upon Paul's affirmation and enunciation of principles for the Christian's life will commend itself to every thoughtful reader, and make this volume well worthy of a permanent place in every Sunday-school worker's library.

The publishers have outvalued all previous issues by devoting unlimited time and expense in illustrating every lesson with beautiful original cuts, and adding much to the permanent value of the book by inserting a number of full-page pictures of Bible scenes.

OUR COMBINATION BIBLE OFFER.

This Offer opens the way for every one to secure both the Telescope and Bible at about the retail price of the Bible alone. It also affords a means by which our pastors can meet any competition by other Bible offers. They are no cheap Bibles, but will prove just what they are represented to be.

The Minion Bible

Belongs to the celebrated INTERNATIONAL SERIES, printed clearly on fine white paper. It is bound in flexible morocco, with overlapping edges. It has silk head bands, and ribbon book-mark. The gold edges make a handsome finish. Size, when open, 8 1/2 by 13 inches. The Teachers' Helps are full and complete, including Concordance, Index, Chronological Tables, Harmony of the Gospels, Maps, etc. In all respects it is a handsome and serviceable book.

The Bourgeois Bible

Is similar to the other, but the type is larger. The binding is of an excellent grade of morocco, and is in the divinity circuit style—that is, overlapping edges. The book is silk sewed, has silk head bands, red under gold edges, and is leather lined to edges. Size, when open, 9 by 14 inches. There are full Teachers' Helps, including all the historical, critical, and reference matter usually found in a Teachers' Bible. It cannot fail to please.

OUR OFFERS.

- 1. On receipt of \$3.00 we will send the Telescope for one year to any new or old subscriber, together with the fine Minion Bible described above. We wish to place the Telescope in the hands of as many of our people as possible, and by sacrificing the price of the Bible, can make such a remarkable inducement.
2. On receipt of \$4.00 we will send the Telescope for one year to any new or old subscriber, together with the elegant Bourgeois Bible described above. Those who are able to invest a little more money will find it desirable to take advantage of this offer.

Special Note.

The figures named in our offers above include all items of expense, as we pay POSTAGE OR EXPRESS CHARGES. However, in view of the liberality of the offers, we must insist that all acceptances be accompanied by TRUE MONEY. On account of the great cut we have made in the prices of the Bibles, this condition is necessary. In ordering, state clearly name and post-office address.
