

Your race—make it fair as nature intended. HEISKELL'S Soap is the soap that cures—that softens—that whitens the skin.

Your eyes—make them bright. Two or three HEISKELL'S Pills daily for a few days will do it. They tone the stomach and liver.

How Some of Our Readers Can Make Money.

Last month I cleared, after paying all expenses, \$355.85; the month previous \$290, and have at the same time attended to other duties. I believe any energetic person can do equally as well as I have had very little experience. The Dish-Washer I use is lovely, and every family wants one, which makes selling very easy. I do no canvassing. People hear about the Dish-Washer, and come of send for one. It is strange that a good, cheap washer has never before been put on the market. The Iron City Dish Washer fills this bill. With it you can wash and dry the dishes for a family of ten in two minutes without wetting the hands. As soon as people see the washer work they want one. You can make more money, and make it quicker, than with any other household article on the market. I feel convinced that any lady or gentleman can make from \$10 to \$14 per day around home. My sister and brother have started in the business, and are doing splendidly. You can get full particulars by addressing the Iron City Dish Washer Co., Dept. B 7, Sta. A., Pittsburg, Pa. They help you get started, then you can make money awfully fast. MRS. W. H.
