## Part III Christian Faith and Philosophy

### Statement of Faith

Faculty and administrators at Huntington University are required to affirm a personal commitment to Christ and to subscribe annually to this **Statement of Faith**, which embodies our collective understanding of, and commitment to, the truth of the Scriptures.

- **We believe the Bible to be the inspired, the only infallible, authoritative Word of God.**
- **We believe that there is one God, eternally existent in three persons, Father, Son, and Holy Spirit.**
- **We believe in the deity of our Lord Jesus Christ, in his virgin birth, in his sinless life, in his miracles, in his vicarious and atoning death through his shed blood, in his bodily resurrection, in his ascension to the right hand of the Father, and in his personal return in power and glory.**
- **We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.**
- **We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.**
- **We believe in the resurrection of both the saved and lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.**
- **We believe in the spiritual unity of believers in our Lord Jesus Christ.**

## Community Life Expectations

Huntington University is a Christ-centered liberal arts institution with a strong relationship with the Church of the United Brethren in Christ. Huntington University desires to be a community that honors Jesus Christ and that emphasizes that the Christian life is primarily positive rather than negative. Creative, loving service to others is more important than adherence to a list of detailed prohibitions. As Huntington University strives to become a more Christ-centered community, we agree together to accept community life standards.

Members of the university community are urged to follow the Bible's guidelines for Christian living. We should be relating to each other in a spirit of mutual dependence and accountability, loving others, sharing the Gospel throughout the world, demonstrating evidence of the Holy Spirit working through our lives, seeking justice, working for peace, working to reduce poverty, seeking reconciliation, being good stewards of our bodies as well as our talents and resources, reflecting Christ in our appearance and behavior, and taking care of the world God has created for us.

The Community Life Agreement (<http://www.huntington.edu/about/community-life-agreement/>) outlines the community life expectations that we agree to accept as a campus community.
