

# HUNTINGTON — UNIVERSITY —

In accordance with the American Rescue Plan Act, 2021 (ARPA), the University has received emergency relief funds for students who were enrolled at Huntington University on or after March 13, 2020. The ARPA requires that the University prioritize students with exceptional need. The University will issue funds to students enrolled as of July 8, 2021 with a 2021/2022 Expected Family Contribution that places the student within a Pell eligible range, for approximately 50% of the funded amount. These students will receive an email at their University email address by July 9, 2021 with instructions on how to accept these funds.

Remaining funds are available for request for any enrolled student. Qualifying students may apply for emergency assistance by completing the form located at

[https://huforms.formstack.com/forms/huntington\\_university\\_arp](https://huforms.formstack.com/forms/huntington_university_arp). Funds may be requested for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus. Students will receive notification regarding the request within two weeks of submission. Submission of a request does not guarantee approval of funding.
