

Ascend Network Connection Guide

The Ascend Network combines an online platform with one-on-one guidance to help students explore and apply to early-in-career internships and jobs.

Here's how it works.

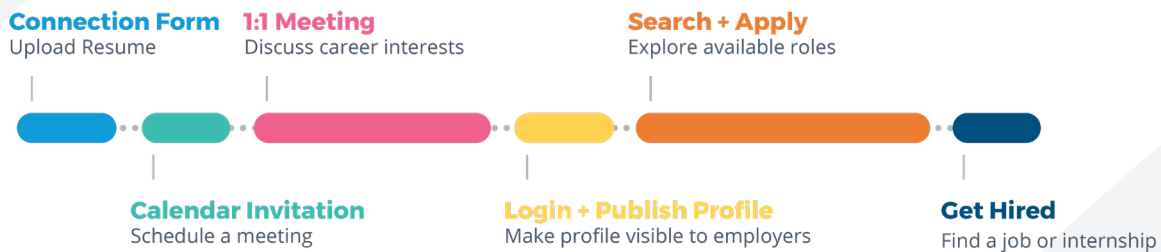

Designed to guide students every step of the way, the Ascend Network supports students from publishing a profile to applying for relevant positions. The process of joining the Network and exploring takes only a few hours and is free of cost.

McKenzie Theis
Butler University

"Ascend met with me one-on-one to understand the type of opportunities that would be best for me."

BLASTmedia

Who we help.

Candidates that are best fit for the Network typically meet the following criteria:

- Sophomore, junior, or senior undergraduate student, recent graduate, or graduate student
- 2.5 + GPA
- Prepared resume and basic interview skills
- Open to early-in-career opportunities (approximately 0 - 3 years of experience)
- Interested in working in Indiana
- US Citizen or Permanent Resident

Connect your students.
