

**Instructions:** *Write your name at the top of the response sheet(s). If using a separate sheet of paper, please clearly mark each prompt. You have 50 minutes to read the excerpt and respond to the questions. Responses will be evaluated based on depth and analysis of the article content as well as grammar and punctuation.*

**1. 2 points: Why is it important to consider the spiritual needs of the clients we serve apart from physical or cognitive deficits alone? Response should be limited to 2-3 sentences.**

**2. 2 points: How do you feel your unique skill set will allow the clients you serve the space and ability to come forward to you with concerns relating to their spiritual needs? Response should be limited to 2-3 sentences**

See 2<sup>nd</sup> Page for Prompt #3

3. 3 points: In 3-4 sentences, give an example of a client in which you think using the HOPE questionnaire would be beneficial and explain your reasoning.

3 points: **Grammar, spelling, and punctuation**

Total Points: \_\_\_\_\_ / 10
