MASTER'S PROGRAM IN COUNSELING SUPPLEMENTAL APPLICATION

Please answer the following questions on a separate piece of paper. Each answer should be typed, double-spaced with no more than one page per question. Each answer will be evaluated by the admissions committee for content, writing style, and writing mechanics.

1. Why do you want to be a counselor, and what are you planning to do with this degree?
2. In your opinion, what qualities and skills must an effective counselor possess?
3. What counseling models and/or theories currently interest you, and why?
4. Describe what your relationship with Christ is like at this time.
5. Write about an event in your life that was a turning point for you. What have you learned from that experience, and how is your life different today because of it?
6. Identify and describe a characteristic about yourself with which you were not happy. Tell us about how you pursued this change and the results you have experienced.
7. Share an event in your life where you were aware of cultural differences and respectful action steps you took to address it.
8. Write about a time you had conflict with someone and how you handled it.
9. What interested you in applying to the MA in Counseling at Huntington University as opposed to other programs?
