NOTES:

1. Chemistry majors not yet placing into MA 171/172 should take MA 141 in the Spring of the freshman year (*see mathematics placement policy in Catalog under Academic Information*).
2. CH 411 and CH 441 are recommended electives.
3. Students may wish to prepare to teach an additional content area by also completing a biology or mathematics minor and the appropriate state content-area examination.
4. ED 395 should be scheduled during January Term of the junior year.

*Indicates alternating year course.

Underlining indicates required for major.
