Huntington University 3-Year Guide to Typical Programs, 2022-2025

Agribusiness (B.S. Degree)
Ministry & Missions Track
Advisors: Drs. Baggerman & Porter

3-Year Plans work for students who can earn credit outside the regular semester (dual-credit, early entry, summer courses, CLEP/AP exams).

Summer 2022			Fall 2022			Spring 2023

							Elective [300+ level] ⁵	3
	total	8		total	16		total	l 17

NOTES:

- 1. CH 161/L Principles of Chemistry I may be taken in place of CH141/L Intro to Biological Chemistry. If CH 161/L is substituted, it must be taken in the fall of the freshman year.
- 2. MA 151 Probability and Statistics is necessary and will fulfill the core math requirement.
- 3. PS 111 Public Policy is recommended.
- 4. Must take 6 hours from: MI 233CO, 233CP, 233LA, 233RS, 233ST, 233UM, 365, 373, 395, 421, 495; EB 421.
- 5. Students are required to have 120 hours to graduate, including a minimum of 36 hours of 300+ courses.
- 6. Students who have taken AP exams, early-entry or dual-credit courses may be able to lighten the number of credits needed during a given semester and may even eliminate the need for summer coursework. The Registrar's Offices' evaluation of prior coursework will help students and their academic advisors plan out degree requirements.
