NOTES:

- Nine additional hours in philosophy are required. Sample courses are shown here, but other PL courses could be taken.
- Additional philosophy courses, BT 331, 333CCT, 333PT, 333TB, 341, EN 374, HS 322, 434, MA 205 or other courses approved by the department are required to reach 36 hours in the major.
- If you take PL 440 or PL 460 for the major, this will also fulfill your core upper level Bible requirement.
- Students are required to have 120 hours to graduate, including a minimum of 36 hours of 300+ courses.
- Students completing a BA degree are required to complete 12 hours in the same language or complete at least 6 hours in the same foreign language and up to 6 additional hours in either another foreign language or in designated cultural enrichment course.
- Students who have taken AP exams, early-entry or dual-credit courses may be able to lighten the number of credits needed during a given semester and may even eliminate the need for summer coursework. The Registrar's Offices' evaluation of prior coursework will help students and their academic advisors plan out degree requirements.
