### NOTES:

1. PY 215 may be taken in place of PY 211.
2. Students planning to attend graduate school should take MA 151.
3. Twelve additional hours in psychology are required, which may include SW 236 and 345. Many electives in the major will be alternating year courses. PY 230 does not count towards major requirements.
4. SO 111 is strongly recommended.
5. BI 111/L is a prerequisite for PY 375.
6. Students are required to have 120 hours to graduate, including a minimum of 36 hours of 300+ courses.
7. Students completing a BA degree are required to complete 12 hours in the same language or complete at least 6 hours in the same foreign language and up to 6 additional hours in either another foreign language or in designated cultural enrichment course.
8. Students who have taken AP exams, early-entry or dual-credit courses may be able to lighten the number of credits needed during a given semester and may even eliminate the need for summer coursework. The Registrar's Offices' evaluation of prior coursework will help students and their academic advisors plan out degree requirements.

\*Indicates alternating year course.

Underlining indicates required for major.
