NOTES:

1. MA 151 is a prerequisite for CO 380 and will fulfill the core curriculum mathematics requirement.
2. Six hours must be taken from: CO 322, 346, 370, 371, 381, 395 (up to 3 times), 495.
3. Outside electives should be taken in complementary areas outside the department. Students will choose 6 hours of 300- or 400-level courses approved by the department.
4. Students must make sure they meet the appropriate prerequisites before registering for any upper division courses outside the communication department.
5. Students are required to have 120 hours to graduate, including a minimum of 36 hours of 300+ courses.
6. Students completing a BA degree are required to complete 12 hours in the same language or complete at least 6 hours in the same foreign language and up to 6 additional hours in either another foreign language or in designated cultural enrichment course.
7. Students who have taken AP exams, early-entry or dual-credit courses may be able to lighten the number of credits needed during a given semester and may even eliminate the need for summer coursework. The Registrar's Offices' evaluation of prior coursework will help students and their academic advisors plan out degree requirements.

*Indicates alternating year course.

Underlining indicates required for major.
