

Huntington University

FINAL EXAMINATION TIME SCHEDULE

Spring Semester 2021

Final examinations will be held Monday through Thursday, May 3 through May 6, according to the following schedule. Instructors will make and announce final examination arrangements for classes that meet at times not included in the schedule.

Final exams will be held in the rooms in which the class regularly meets unless the instructor arranges for another room and notifies all students. A student having four exams on one day may petition the Dean of the University to reschedule one exam. Exams for science laboratory sections and for Wellness courses are arranged by the instructors.
