ADVISING

The advising period for January and Spring terms will open on October 26. You must make an appointment with your academic advisor to finalize your schedule of classes.

Before your appointment, review requirements for the core curriculum and your major or interest areas. Print a degree audit from the portal to check your progress toward your degree. Prepare a proposed schedule to discuss and confirm with your advisor. Review catalog listings for information about prerequisite courses, alternate year courses, and complete course titles and descriptions at <https://www.huntington.edu/academics/academic-catalog>. If you do not know the name of your faculty advisor, check on the portal or contact the Registrar's Office.

REGISTRATION

After your advisor approves your schedule **and your registration time opens**, you may register for classes on the portal or bring your registration to the Registrar's Office in Becker Hall (8:00 a.m. to 5:00 p.m., Monday – Friday) to have a staff member enter your courses. See the Registration Instructions on the portal for more information.

Overloads of more than 17 hours are permitted only by petition. Students must submit a petition for overload before they may register for **more than 17 hours**. Students are charged overload tuition for each hour above **17** registered hours.

Independent studies, internships, directed studies, tutorials and job shadowing experiences as well as practicums that are not on the class schedule require special forms. It is not possible to register for these types of experiences until the appropriate form has been completed and submitted to the Registrar's Office.

For information about course prerequisites and course descriptions, refer to the **Huntington University Catalog**, at <https://www.huntington.edu/academics/academic-catalog>.

Students who plan to graduate in 2021 must apply for graduation no later than Nov 13, 2020. Students should declare their intent to graduate and submit an approved plan of study two semesters before they intend to complete. Instructions are found at https://my.huntington.edu/ICS/Students/Academic_Registration_Information/Graduation.jnz

Satisfactory/Unsatisfactory grading can be elected for a course by completing a form available at the Registrar's Office or by completing the form on the portal. Courses in the core curriculum or those counted in the major may not be taken S/U. Information about S/U grading is found in the academic catalog at <https://www.huntington.edu/academics/academic-catalog/undergraduate-catalog/academic-info/academic-policies/grading-policy>
