

Huntington University | Students in Fort Wayne, Indiana

Huntington University will complete the 2020 spring semester, including any May term courses, in an online format. This decision was not made lightly. The timing of the decision allows the University to prepare for the remaining weeks of the semester. Know that your faculty and staff are working hard to create the best online learning courses possible. Please reach out to Dr. Ruth Ford or Dr. Nate Short with any program specific questions.

Don't forget, Campus Ministries team will be bringing you programming to encourage your faith. The first one is scheduled for this next Thursday!

There is a new normal. The Forester experience will not be tainted by this time in our lives. We will have walked through this together!
