### NOTES:

1. Either MA 161 or MA 171 will fulfill the major requirement in math. MA 171 is recommended for those anticipating graduate school.
2. Students must take three of the following OA215 Business Software Application courses or an equivalent certificate: Word Processing, Spreadsheet, Database, and Computer Graphics.
3. PY 111 is recommended for those who anticipate having a minor in marketing or entrepreneurial small business.
4. CPA exam candidates will need to have earned 150 semester hours of college-level credits to sit for the exam. Huntington University students could earn these additional hours in a fourth year at the undergraduate level or through the University's MBA program.
5. Students are required to have 128 hours to graduate, including a minimum of 36 hours of 300+ courses and 3 J-Terms in at least 2 departments

Underlining indicates required for major.
