*Indicates alternating year course.

Underlining indicates required for major.

Note that this is a “Typical Program.” Actual programs will vary. See the Academic Catalog for official details.

NOTES:

1. This 3-2 Athletic Training program offers students the opportunity to receive both a bachelor of science degree in pre-athletic training from Huntington University, and a master of athletic training degree from Manchester University over a five year period. With 26 hours of transfer credit during year four from Manchester University, students graduate from Huntington University with a BS degree. At the end of year five, students graduate from Manchester University with a MAT degree.
2. Admission to Huntington University does not guarantee acceptance to the 3-2 Athletic Training program. Application to the 3-2 Athletic Training program begins in the student’s second year at Huntington University. Students who fail to achieve admittance to the Manchester University MAT program may complete their bachelor’s degree in exercise and movement science at Huntington University.
3. SO 111 and PY 111 are necessary and will fulfill the core social science requirement for this major.
4. MA 151 Probability and Statistics is necessary and will fulfill the core math requirement.
5. CH 141 and PH 111 are necessary and will fulfill the core natural science requirements for this major.
6. BR 333TB Theological Bioethics is necessary and will fulfill the core non-introductory Bible requirement.
7. Students are required to show evidence of CPR certification as a requirement for graduation.
